

**WORK STEPS**

Choice of 2, 3 or 4 treads which have a 250 x 550mm non-slip surface. The large feet give superb stability and the pull wheels make the step highly manoeuvrable.

- Certified to BS EN 131 Professional.
- Handrail and guardrail give greater safety.
- Max load capacity: 150kg.
- Supplied knock down - some easy assembly required.

REF	No of treads	Overall height mm	Platform height mm	Max working height mm	Weight kg	PRICE
CAA202	2	1430	500	2500	15.5	£512.60
CAA203	3	1680	750	2700	20.5	£681.57
CAA204	4	1930	1000	3000	25.5	£819.45

**STAINLESS STEEL SAFETY STEPS**

High quality range of mobile step units, manufactured from formed tube and sheet stainless steel of quality, particularly suitable for food, drink and chemical industries. Fully welded throughout for maximum rigidity.

- All step units fitted with 4 x 80mm dia spring loaded castors with grey non marking rubber tyres fitted in heavy zinc plated housing which retract when weight is applied to the steps, giving firm contact with the floor.
- Anti-slip tread surfaces.
- Each unit is fitted with four grey non marking rubber feet.
- Stainless steel treads covered with anti-slip surface which is both hard wearing and resistant to water, oil and most chemicals.
- Other stainless steel steps can be made to order. Simply contact us for an informal chat about your requirements.
