PREMIUM QUALITY STEP LADDERS

DOUBLE DECKER ALUMINIUM SAFETY STEPS

- Unit incorporates a tool holder, bucket hook and a screw tray.
- Large rubber anti-slip feet for increased stability.
- EN 131 Professional.
- The aluminium platform features a red safety step indicator for maximum recommended step height and protective edge to prevent cuts, grazes and bangs to limbs.
- There is also a patented large double step underneath the platform for safe and comfortable standing. The unit also incorporates tool holder fittings to enable safe storage of tools and materials when in use. The unit comes complete with heavy duty sturdy feet to make this a superior, professional, platform stepladder.
