FOLDING TELESCOPIC STEPS WITH SAFETY GATE

This stepladder has telescopic legs allowing it to be easily used on stairs or inclines. The safety gates keep the user confined within the working platform offering greater safety.

- EN131 Professional and TUD Certified.
- Extendable locking stabilisers for safety when working at height.
- Non-slip aluminium platform: 510 x 560mm with kick board.
- Wheels attached as standard, providing mobility without needing to lift.
- Some assembly required.
- Fully folding for easy storage.
