

HAND HYDRAULIC STACKER

- Heavy duty design.
- Unique technology with quick lift system.
- Compact design and strong, accurate steel construction.
- Top quality hydraulic pump and cylinder.
- Heavy duty one piece 'C' section forks for added strength.
- Top of stroke bypass valve built in.
- Conforms to EN1757-1:2001.

MT1015

Overall height (mm)	1960	2000
Net weight (Kg)	230	370
PRICE	£1342.50	£1348.50

HAND HYDRAULIC STACKERS

Great medium duty range of hand hydraulic stackers. Choice of three lift heights and two lift capacities.

- Steel profile construction.
- Sturdy and compact enough to fit through standard doors and to operate in congested areas.
- Lift function operated by pump handle operation with adjustable lowering speed.
- Fitted with push/pull handles.
