

FORK TRUCK YARD SCRAPER

This attachment is a general purpose appliance suitable for a variety of scraping applications. Ideal for cleaning warehouse floors, exhibition halls, car parks and yards etc.

Standard features:

- Angled end wings to prevent rubbish from spilling out past the sides.
- Secured safely to the forks with zinc plated thumb screws.
- Comes fitted with castors and a durable rubber blade insert as standard.

REF	Blade width mm	Max fork size mm	Fork spread mm	PRICE
FMYS-1500	1500	140 x 50	830	£1317.20
FMYS-1800	1800	140 x 50	830	£1346.80

SPRUNG ACTION SNOW PLOUGH

Ideal for clearing areas where hidden objects like manhole covers could be encountered. The sprung loaded blade minimises damage.

- Screw clamps secure to forks.
- Adjustable left to right.
- Rubber blade insert.
- Castors in contact with ground.

REF	Size W x H mm	Max fork mm	Fork spread mm	PRICE
