

Our expert says

Guaranteed to last Comes with 15 year warranty

## HYGIENE SHELVING

A unique system that comes with a 15 year anti-corrosion guarantee.

- Antibacterial additive fights bacteria for up to 10 years.
- Lasts up to 5 times longer than traditional nylon coated models.
- 60% less expensive than stainless steel and aluminium construction.
- Tube sections have a hard baked grey epoxy resin to prevent corrosion with also a zinc substrate for extra protection.
- Recommended for use in walk in cold rooms, hospitals and all hygiene sensitive areas.
- Units are 1625mm high and come complete with 4 shelves.
- Extension bays and extra shelves can be added on.
- Bay heights of 1820mm and 2130mm can be supplied - POA.
