CLOTHES LOCKERS

 Sustainably sourced steel with anti-bacterial paint for a quality finish

Our expert says

ELITE STORAGE CLOTHES LOCKERS

UK manufactured welded frame lockers made to a high specification with a wide choice of sizes and colour options.

- Robust steel welded frame construction.
- Reduced CO₂ green credentials with sustainably sourced steel.
- Airflow venting system as standard.
- Anti-bacterial powder coated finish - grey frame with a choice of coloured doors: green, red, dark blue, light grey, dark grey, yellow and black.
- Choice of key cam lock or padlock type fitting - cam lock supplied as standard.
- Single door lockers supplied with a top shelf and double coat hook. Two door models have a double coat hook in each compartment.
- State colour choice and door fitting on order.
- Choose between a flat top or a sloping top locker.
