SECURE STOR CABINETS

Secure Stor offers an economic solution to the ever increasing problem of safe storage of high value bulk items. Whilst built to the same exacting standards as the Secure Stor range, these units are tested to EN14450 S1 and certified by VdS in Germany. Manufactured with a 3mm solid steel body, with 3-waylocking mechanism and VdS approved class 1 safe lock. The internal hinges allow the door to open 102°.

- Cash rating £2000, valuables £20000.
- Conforms to the construction required for the misuse of drugs (safety custody) regulations 1973.
- AIS approved safe and secured by design approval.
- Hardened steel plates protect all other areas prone to attack.
- Available in five sizes with an alternative electronic locking option.
- Supplied with prepared base fixing points and shelves.
- Prices shown include delivery and installation to ground floor only.
