## MOBILE SITE STATION

This highly functional and versatile mobile site station is a convenient solution for on-site tasks and storage needs. The folding slanted work surface is great for displaying plans and charts plus its lockable storage offers a secure place for valuable equipment, power tools, PPE and fixings.

- Powder coated finish.
- Each door locks independently.
- 110V light and power supply fitted as standard.
- Heavy duty castors.
- Lifting eyes and fork skids for manoeuvring.
- Weight: 223kg.

REF	PRICE
SS2	£3273.81

## CUTTING STATION

A highly efficient solution for cutting materials on-site. By eliminating the need for a separate cutting room, it offers convenience and saves space. The inclusion of lighting and chamfered corners helps reduce noise and create a safer working environment. The expandable working area and cutaway sides allow for handling longer materials and can accommodate mitre saws. It is a well-designed workstation that enhances productivity and safety during cutting tasks.

- Built-in extractor to contain dust.
- Swarf collector.
- PVC curtains to contain sparks.
- 2 x 110V sockets and light.
- Support arms extend into 4 configurations.
- Includes built-in secure cabinet with keyed alike, 5 lever deadlocks.
- Heavy duty braked swivel castors.

REF	Description	Weight kg	PRICE
SS7	Cutting station	175	£3237.11
SS7X	Cutting station with extraction system	200	£5547.44
SS7C	Cutting station clamp	4	£157.79

## WALK-IN COSHH STORE

The walk-in COSHH storage unit is a convenient, innovative and practical solution for on-site storage needs. The galvanised panels provide durability and strength, ensuring a robust storage unit. It can be configured in various sizes, starting from just 1m x 2m, allowing flexibility to accommodate different requirements. The inclusion of HSE features demonstrates a thoughtful design that helps contractors meet COSHH regulations on-site.

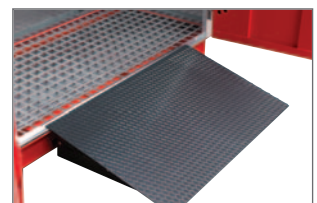

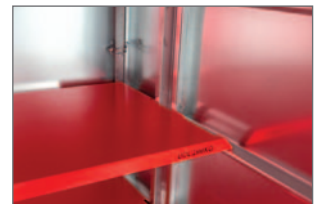

- Forklift pockets allow easy manoeuvring.
- Crane lifting eyes fitted standard for easy transportation.
- Comes with relevant hazard warning signage.
- Heavy duty doors have 5 lever deadlocks and jemmy-proof joints.
- Raised floor allows spillages to drain straight into sump.
- Delivered flatpack.
- Can be pre-assembled at an extra cost.
