

## HIGH SECURITY POST BOXES

Our sleek High Security Post Boxes are available in two sizes and have been designed for outdoor environments to protect letters and small packets from theft. The lock bolt is protected with a robust anti-rip plate to prevent prying.

- 1.5mm galvanised steel body, with tough black powder coated finish.
- Corrosion and weather resistant.
- Top loading A4 letter slot, with 'anti-rattle' continuously hinged roof flap.
- Easy access to post, via full height side hinged door.
- Euro profile cylinder deadlock, with anti-rip plate to prevent prying.
- Suitable for wall mounting.
