

SUPERVISORS' WORK STATIONS

A range of robustly constructed work stations designed for team leaders, supervisors or line managers. Fully welded steel framework ideal for tough environments with a range of accessories both above and below the work station. The compact design accounts for limitations on factory floor space but still allows the user to have a work station with everything they need. Ideal for standing as to improve health and fitness but can be used in conjunction with an industrial stool or chair.

- Two depths available: 400mm and 600mm.
- Full range of accessories.
- Choose from sloping and flat top versions.
- Fully welded robust frame.
- Polyester coated.
- Colour coordinated range of tops for area segregation available.
