## POLYPROPYLENE STACKING BOXES

- Available in 3 colours - blue and silver/grey.
- Moulded corners and handles in black.
- Supplied in pack of 5 (one colour per pack).

The height of the overall external dimensions of the stacking boxes is measured from the base to the top of the box excluding the top moulded corners. Therefore, this allows the boxes to be the same overall height when stacked and placed in rows adjacent to each other.
