TC3	350.13.537		750	5	£17.95

FLUORESCENT TRAFFIC CONES

These traffic cones have fluorescent white strips that provide an excellent warning effect. They are suitable for use in off-road or private space applications like car parks, yards and factory spaces.

- One piece cones.
- Colour: orange/red.
- Heights: 350mm, 500mm and 750mm.
- NB. These cones do not conform to: BS EN 13422:2004 or BS873 Part 8.

REF	Height mm	Weight kg	PRICE
353.15.697	350	1.4	£19.20
353.14.107	500	1.7	£25.54
353.19.386	750	3.6	£71.33

NO WAITING BOLLARD

The No Waiting Bollard is made from recycled PVC and has a three sided design which allows the sign to be viewed from all angles. It can be used for marking off any parking restrictions either permanently or temporary. The strong and heavy base will help to keep the bollard in place.

Our expert says

Needing to keep an area free from traffic?
Alerts road users to no waiting or parking

- Height: 500mm.
- Weight: 4kg.
- Strong and durable.
- Message is easily viewed from all angles.
- Quick to deploy and collect up.
- Stackable, space saving storage.
- Weather resistant.
