

This range includes manual and electric lift tables with single and double scissors. The two roller track options can be used for changing of press tools. The BS-series are known for their unbeatable mechanical strength and reliability. CE approved according to EN1570 standards.

Manual Lift Tables BS:

Lifting with a foot pump and lowering with a handle, simple and reliable design, makes long life.

Electric Lift Tables ES:

Lifting and lowering by a push-button controller, connected to a european power pack (DC/700W). Maintenance free battery which gives many working hours per charging and a long life. Included: battery 70Ah/12v, built-in charger 10Ah/12v, charger display and charger cable.

BS15 has a folded handle
