## PLASTIC BIN TROLLEYS

Ideal for shop floor, hotel, bars and production floors. The distribution bins are made from strong impact resistant polyethylene. They are fitted with 4 swivel castors, the bins are also designed to nest/stack when not in use.

- One piece moulded.
- Impact resistant polyethylene.
- Fitted with non-marking rubber castors including thread guards.
- Easy manoeuvrability.
- Stackable when not in use.
- Weather resistant.
- Maintenance free.

The bins can be customised to your specification to include:

- Food grade material.
- Your company logo.
- Conductive material.
- Bin colour coding on quantity orders.
- Varying castor sizes and types.
